

Yushi YS12025B12H-F YS-12025-12040-2W, IP68 Waterproof Server-OEM Fan

|                  |                               |
|------------------|-------------------------------|
| Part Description | -                             |
| Part Number      | -                             |
| Fan speed        | 1000 rpm                      |
| Bearing          | 2 bearings with copper sleeve |
| Dimensions       | 100                           |
| Wire length      | From fan outer frame 200mm    |
| Weight (kg)      | 0.5 kg                        |
| Brand            | 1                             |
| Model / GTIN     | -                             |
| Item Condition   | New                           |
| Warranty         | 6 Months                      |

#### Waterproof outer frame

The motor is placed inside the frame, and filled with silicon waterproof material. Whole motor and electric circuit do not expose. IP68 standard waterproof is achieved.
